

Type DG-10

Digital Pressure Gauge

The New WIKA Type DG-10 Digital Display Gauge

When a local digital display instrument is required, the DG-10 is the ideal solution. With its rugged stainless steel housing, low power consumption, and long battery life (4,000 hours), the DG-10 is suitable for a wide range of applications and industries including mechanical engineering, hydraulics/pneumatics, pumps/compressors, and general service/test bench operations.

The DG-10 is available in two versions: standard (DG-10-S) and enhanced (DG-10-E). Both versions include a multifunction LCD-display with a bar graph featuring a drag pointer function and a MIN/MAX memory. Both versions allow the user to easily switch between the most widely-accepted international measurement units including bar, psi and MPa.

Additional features of the enhanced version include a back-lit display for use in low light conditions and a housing that can be rotated for optimal viewing. Additional user-programmable functions of the DG-10-E include auto power-off, tare function, and password protection.

Best of all, the DG-10 provides excellent accuracy, reliability, and durability.

Type DG-10-E
(enhanced shown)

DG-10 Digital Pressure Gauge

See Datasheet DG-10 for additional details and options, available at www.wika.com

Special Features

- 3.15" diameter stainless steel case
- Multifunction LCD-display with bar graph and drag pointer function
- Uses two standard AA batteries
- Low power consumption with long battery life (4,000 h)
- 1/4" NPT male connection
- Pressure ranges: compound and gauge ranges up to 10,000 psi
- Display accuracy: $\leq \pm 0.25\%$ B.F.S.L.
- Enhanced version includes protective rubber boot

Description		
Range	DG-10-S Standard Part #	DG-10-E Enhanced Part #
-30 inHg...29 psi	50365444	50365657
-30 inHg...72 psi	50365452	50365673
-30 inHg...145 psi	50365461	50365690
30 psi	50365479	50365720
60 psi	50365487	50365771
145 psi	50365495	50365789
300 psi	50365509	50365797
600 psi	50365517	50365819
1450 psi	50365525	50365827
2000 psi	50365584	50365835
3000 psi	50365592	50365843
5000 psi	50365614	50365851
7500 psi	50365622	50365860
10000 psi	50365631	50365878
