The Industrial Product Demo Library has expanded! It now contains hundreds of new product demos covering all aspects of manufacturing needs. You will find interactive animated tutorials that walk you through the product's specs, features, parts, applications, and accessories. Those we've featured below are just a sample of some of the great stuff you'll find on www.industrialproductdemos.com.

March Featured Demos

WIKA — PSD-30 Pressure Transmitter

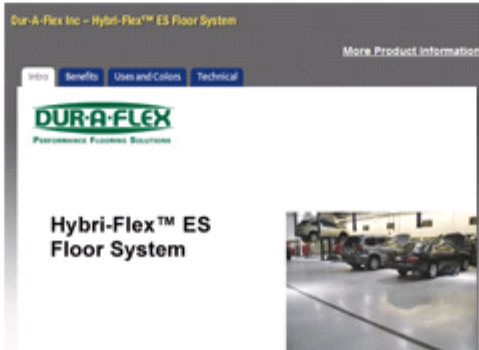

The WIKA TRONIC PSD-30 was designed with its 9 mm high digits to be as large as possible and is made at a slight angle, so that the pressure displayed can be easily read from a distance. [Play Demo!](#)

Deublin Company — Slip Rings

DEUBLIN Company introduces Slip Rings for a wide variety of industrial applications. Deublin Company has utilized the same high quality standards in the development of the new Slip Ring product line as we have established in our rotary union designs for over 60 years. [Play Demo!](#)

Dur-A-Flex Inc — Hybri-Flex™ ES Floor System

Hybri-Flex™ ES is Dur-A-Flex's first smooth-finish hybrid flooring system offering great looks while standing up to heavy duty use. Offered in nine standard colors as well as unlimited custom colors, Hybri-Flex™ ES' unique base coat also boasts tremendous bonding strength to concrete while tolerating moisture levels almost four times those of traditional resin floor systems.
