

# WIKA Customer Portal - Quick Start Guide

**This Quick Start Guide is designed to give you a basic overview of the Customer Portal Account Dashboard (Home page). From the Account dashboard you can:**

- 1) Product selector – Use to identify the right product model
- 2) View: Orders, Inquiries, Quotations
- 3) Keyword search – Product models, Orders, Inquiries, & Quotes
- 4) Shopping cart – Add items to complete a quote request
- 5) Configurator – Use to configure a product model or part number
- 6) Fetch item information – Use to find pricing & lead time information
- 7) WIKA Pricing PDFs
- 8) View recently viewed products – click hyperlink for product details
- 9) Contact person details – WIKA Account Manager
- 10) News: View WIKA's latest news article

The screenshot shows the WIKA Customer Portal dashboard with the following elements and callouts:

- 1**: Language selector (English) and navigation menu (PRODUCTS, CONFIGURATOR, FAVORITES, ACTIVITIES, SETTINGS, SERVICE, LOGOUT).
- 2**: Search bar (Enter keyword search).
- 3**: WIKA logo.
- 4**: Shopping cart icon (SHOPPING CART).
- 5**: Configurator section with a "Start" button.
- 6**: Item information section with input fields for "Item-no." and "Pcs." and a "More..." link.
- 7**: WIKA Pricing 2017 section with links to Diaphragm Seals MSRP, Electronic pressure MSRP, Mech. pressure & acc. MSRP, and Mech. temperature MSRP.
- 8**: Last viewed products section listing items like "52 Bimetallic thermometer" and "NA\_213.40 Bourdon Tube Brass Gauge".
- 9**: Contact person section for Jancelyn Carter, including phone, fax, and email details.
- 10**: Latest news section with a "View all.." link and a list of news items with "Read more..." links.
