

Product Line Card

Pressure Measurement

- Pressure Gauges
- Digital Pressure Gauges
- Pressure Sensors
- Process Transmitters
- Pressure Gauges with Output Signal
- Pressure Switches
- Contact Pressure Gauges
- Diaphragm Seals
- Diaphragm Seal Systems
- Engineered Solutions Pressure
- Valves and Protected Devices
- Mounting Accessories
- Electrical Accessories

Temperature Measurement

- Thermocouples
- Resistance Thermometers (RTDs)
- Temperature Transmitters
- Thermowells
- Dial Thermometers
- Digital Indicators
- Tubeskin Thermocouples
- Multipoint Thermocouples
- Programming Units
- Temperature Switches
- Thermometers with Switch Contacts
- Temperature Controllers
- Cables and Connectors
- Engineered Solutions

Flow Measurement

- Primary Flow Elements:
Venturi's, Flow Nozzles, FlowPak, ProPak, Pitot Tube, Wedge, Cone Meters
- Universal, Paddle, Restriction Style Orifice Plates
- Orifice Flange Unions
- Orifice, Turbine, Ultrasonic Fabricated Meter Tubes
- Custom Skid Fabrication, Automation Packaging
- Flow Switches, Air Flow Sensors

Force Measurement

- Force Transducers
- Hydraulic Force Measurement
- Load Cells
- Engineered Solutions

Calibration Services

- Digital Pressure Gauge Calibration
- Hand-Helds, Calibrators
- Pressure Balances
- Portable Pressure Generation
- Reference Thermometers
- Hand-Helds
- Calibration Baths
- Portable Temperature Calibrators
- Resistance Thermometry Bridges
- Electrical Calibration Instruments
- Engineered Solutions Calibration
- Accessories

Level Measurement

- Chamber Level Indicator
- Sight Glass Level Indicators
- Submersible Pressure Sensors
- Continuous Measurement with Float
- Float Switches
- Optoelectric Switches
- Engineered Solutions Level
- Accessories for Magnetic Level Indicators

Industries

- Pharmaceuticals & Biotechnology
- Food & Beverage
- Oil & Gas (Up, Mid & Downstream)
- Petrochemical Industry
- Chemical Industry
- Power Generation
- Water & Waste Water
- Basic Materials
- Machine Building & Automation
- Mobile Working Machines
- Heating, Ventilation & Air Handling
- Refrigeration
- Technical & Medical Gases
- Semiconductor Industry
- Power Transmission & Distribution (SF₆)
