

## **WIKAI USA Announces Expanded Partnership with AWC, Inc.**

January 15, 2020

### **Lawrenceville, GA – WIKAI USA and AWC, Inc. Partner in Louisiana, Arkansas, and Mississippi**

WIKAI USA is pleased to announce that effective January 1, 2020, AWC, Inc has been appointed as the exclusive representative for WIKAI's electrical temperature, flow, and level products in Louisiana, Southern Arkansas, and Western Mississippi. AWC, Inc will continue to promote and inventory WIKAI mechanical pressure and temperature products for distribution to their existing and new customers.

"AWC's instrumentation experience, technical background, and product training will assist in providing the service and technical support that you have come to expect from WIKAI USA, and we look forward to expanding our relationship with this outstanding partner," says Jon Clifford, Senior Director, Process Industry and Channel Sales.

"We are excited about our expanded partnership with WIKAI USA and our mutual ability to provide real value to our customers." says Randy Hamilton, Regional Sales Manager for AWC, Inc.

If you have any questions, concerns, or comments regarding the family of WIKAI products, please feel free to contact us at [info@wika.com](mailto:info@wika.com).

#### **About WIKAI**

For 70 years, WIKAI has continuously advanced instrumentation for pressure, temperature, and level and flow measurement. Leveraging decades of experience, we developed a broad selection of stock and custom solutions as well as engineering services to support plant safety, productivity and profitability. A global leader in lean manufacturing, WIKAI has manufacturing locations around the globe, which enables flexibility and the ability to meet high delivery demands. [www.wika.us](http://www.wika.us)
